3. Boston Lody who know what she wanted, and whose example is worthy imitation, tells ver experience below: The Beautiful Ohio.

To Get

"In one store where I went to buy Hoods Sarsaparilla the clerk tried to induce me buy shelr own instead of Hood's; he told me their's would last longer; that I might take it on ten lars' trial; that if I did not like it I need not oay anything, etc. But he could not prevail on me to change. I told him I knew what food's Sarsaparilla was. I had taken it, was satisfied with it, and did not want any other. The Heautital Ohio.

The Board of Public Works got a force of three men to work yesterday repairing the wharf, and by night several of the unsightly and dangerous holes in the cobble payement had been reasonably well fixed up. All day yesterday, the wharf was filled with freight, including in the lot nearly every conceivable kind of merchandise.

To-day's hosts will be well genelical.

Hood's

When I began taking Hood's Sarsaparilla I was feeling real miserable, suffering great deal with dyspepsia, and so weak that at times I could hardly stand. I looked. and had for some time, like a pers Sumption. Hood's Sarsaparilla did me so much good that I wonder at myself sometimes and my friends frequently speak of it." Mns. PLLA A.
